Adult Cat Wellness

Veterinary Wellness Center is committed to providing convenient care in a low stress environment.

Our veterinarians recommend that all adult cats should get:

CORE VACCINES*:

RCP
Leukemia
Rabies

TESTING & PARASITE CONTROL:

Leukemia/FIV test
Fecal testing
Heartworm protection
Flea & tick protection

Vaccine visits start at \$180 for all of the core vaccines. Additional charges apply for viral testing, fecal testing, and parasite prevention.

ADD-ONS: Lab tests for organ function screening \$155-220

BUNDLE & SAVE

Add important services to your cat's vaccine appointment to qualify for these coupons**!

- ✓ Fecal test OR FeLV/FIV test: \$10 off
- ✓ Fecal test + FeLV/FIV test: \$20 off
- ✓ Organ Function Screening: \$20 off

*Each vaccine may not be recommended every year. Additional charges apply if additional vaccines recommended due to lapse in vaccine history.

**Applied at check-out when diagnostics are completed during the vaccine appointment.
